

## RESIDENT OF THE MONTH

## HAVING FUN

Guess who the resident of the month is?

This kind and friendly gentleman grew up in Phoenix City, AL. He was an only child, and after he graduated high school in '43, he went straight into the Navy. He was an aerial gunner and served most of his time in the Philippines. He became an aerial gunner because of his interest in flying. He even got his pilot license in high school. He is extremely proud of his service to his country and of his time in the Navy. After he got out of the Navy, he married the love of his life, his high school sweetheart. They lived a very full and happy 66 years together. He worked for Steven Graphics Printing for 42 years after turning down a job offer with the Atlanta Journal. He has a great love of baseball and a great love for his family, which includes 2 children, 4 grandchildren, and 9 great-grand children.
